

TRUST AT A SLANT

JUDGES 13 | IAN BLACK | JUNE 6TH, 2021

"Tell all the truth, but tell it slant."

-Emily Dickinson

Judges 13:1-25

Samson

-Samson's distractions robbed him of his potential. Sometimes our distractions rob us of our potential.

Manoah's wife

-She trusts God enough to change her behavior.

-She trusts God for the impossible.

Manoah's wife trusted God. Sometimes we simply need to trust.

Manoah

- Manoah is trying to control things. Sometimes we try to control things.
- Manoah couldn't trust God because he was too busy trying to control Him.

Israel

- The cycle

Israel settled for oppression. Sometimes we settle for oppression. We settle for oppression when we don't know what we're missing.
