JOHN 1:29-46 – JUSTIN LANGEBARTELS – SEPTEMBER 23, 2018

- Jesus followers live to build Christ's Kingdom, not their own.

- Jesus followers must bring others with them.

- Jesus followers are effective because of their identity, not their qualifications.

Reflection Questions:

1. Whose kingdom have you been spending your days building?

2. Who has God uniquely placed in your life that you can invite into Jesus' Kingdom to join the mission of building his Kingdom?

3. What qualifications do you need to stop waiting for to join Jesus's work?
